Extra-rugged construction for tough jobs, choice of 19 wheelbases

Now you can have V-8 power in every Fargo model... Chrysler-engineered high-compression engines that give you top performance... extra power on regular gas. Or, you may choose Fargo's famous rugged L-head 6-cylinder engine. With either you get these big Fargo pluses—

Smart new Forward Look styling... new cab comfort with increased visibility... greater safety with constant-speed electric windshield wipers... new, bigger payload capacities... and dozens of rugged, additional features make these new Fargo trucks your best choice. Look over the new, complete Fargo line. You'll agree, these are the finest-performing Fargo trucks ever built.

Chrysler Corporation of Canada, Limited.

V-8 or 6 power

Big, powerful V-8 high-compression engines for every Fargo model. Advanced dome-shaped design of combustion chambers helps prevent power-robbing carbon deposits. Fuel burns more completely... you get full power on regular gas. Improved design 6's also available.

New payload capacities

Popular Fargo Express models haul heavier cargoes, because of balanced weight distribution. Fargo models range from 5,000 to 46,000 lbs. G.V.W., up to 65,000 lbs. G.C.W. Choose yours now.

New cab comfort

Long or short hauls are easier, more comfortable in a Fargo truck. Even the seat-back adjusts to the most comfortable driving angle. Cool, long-wearing upholstery combines

beauty with duty. Full wrap-around windshield and new full-width wrap-around rear window (optional) provide control-tower visibility.

Push-button driving

Proved-in-use push-button automatic transmission makes driving easier than ever. Available on 1/4-ton models; you just push a button and the shifting is automatic. Mechanically foolproof and trouble-free, only Chrysler-built trucks have it. Enjoy it now.

FARGO TRUCKS built to fit your job

Exclusive alligator hood opens to full 90°!

Choice of Power-Dome V-8 or famous L-Head 6 power!

Ruggedly designed for severest operating conditions!

Fargo C.O.E. models take longer trailers, bigger payloads!

A SERVICE TO PRODUCERS

Our up-to-date Laboratory, equipped to provide producers with an up-to-date Germination Test on their seed grain, stands ready to give this service during the coming season. Many of the crops harvested this year were affected by frost; thus a reliable germination test of the seed intended for planting in 1957 will be very important.

Those interested should apply to their nearest Searle Agent who will be glad to arrange this service for them.
